

A STATEMENT

Asibo Barbra, a female youth aged seventeen, a Musoga by tribe, a student of Bukoyo secondary school, a resident of Namasere village, Kuko sub-county, district of Iganga, telephone number 0772899500 states.

That it was on the 25th august 2015 at around 21 hours when I was from evening lessons that I reached home and found my bedroom door ajar. I got a boy from my neighborhood aged seventeen years lying on my bed. I quickly checked my pillow case and found my money-fifty thousand shillings missing.

I asked this boy why he was lying on my bed and whether he had seen my money and he denied everything.

I insisted and instead he closed the door and raped me. I made an alarm but since it was raining heavily, nobody came to my rescue.

Early in the morning at around 18 hours, my sister returned from a trans-night dance and got us red-handed having sex. She made an alarm; the boy quickly dressed up and ran away.

I request the police to apprehend this boy and charged him with indecent assault, theft and burglary and rape.

This is what I can state. I have recorded this statement while I am in my sound mind and memory and take it to be true to the best of my knowledge.
