SECTION: B (50 MARKS)

51. Read the passage below carefully and then answer, in full sentences the questions that follow.

On Monday last week, my mother sent me to the shop. She gave me twenty thousand shillings. I picked my Daddy’s bicycle and rode up to Kweshamura trading centre. When I got off the bicycle, I walked straight to Mr. Murunga’s shop. Since he was selling food items, he was allowed to open his shop during the lockdown. Before I entered, I washed my hands with soap and clean water in the washbasin which was placed just beside the entrance.

As I entered, he shouted, “Eh----eh----eh---, observe social distancing!” I quickly did so because I had heard about the same on the television at home. I then greeted him and gave him the list of items I needed. They included two kilogrammes of beans, one kilogramme of pound groundnuts, a sacket of wheat flour for which I paid Shs. 5500. He also gave me a sealed packet of sugar. Without checking it, I packed all the items in my bag. The shopkeeper then sanitized my hands. I jumped on my bicycle again and happily rode back home.

When I reached home, I showed my mother the items I had bought. I gave her change of three thousand shillings. She thanked me for being a good child. The following day, mother opened the packet of sugar.

To her surprise, there was dry white sand. This annoyed me the most.

Personal hygiene! Personal hygiene!
The gateway to good public health
Which is good for our lives
Bathe properly daily, wash your face well,
Clean your hands with soap and clean water,
The germs will all be destroyed.

Personal hygiene! Personal hygiene!
Brush your teeth with good tooth paste
To chase away tooth decay.
Trim the finger and toe nails with
Nail clippers to destroy homes for germs
Comb your hair to avoid lice attack.

Personal hygiene! Personal Hygiene!
Stay in an environment with good quality air
Sweep the houses and mop them daily,
Sweep the compound and clear the bushes
To destroy homes of mosquitoes
The mother to deadly disease – malaria.
