(i) _____

(ii) _____

(b).Mention any two tools found in a first aid box.

(i) _____

(ii) _____

46. Match the materials in list **A** with their products I list **B** correctly.

A

clay

sisal

palm leaves

skin

B

ropes

pots

shoes

winnowers

Correct order:

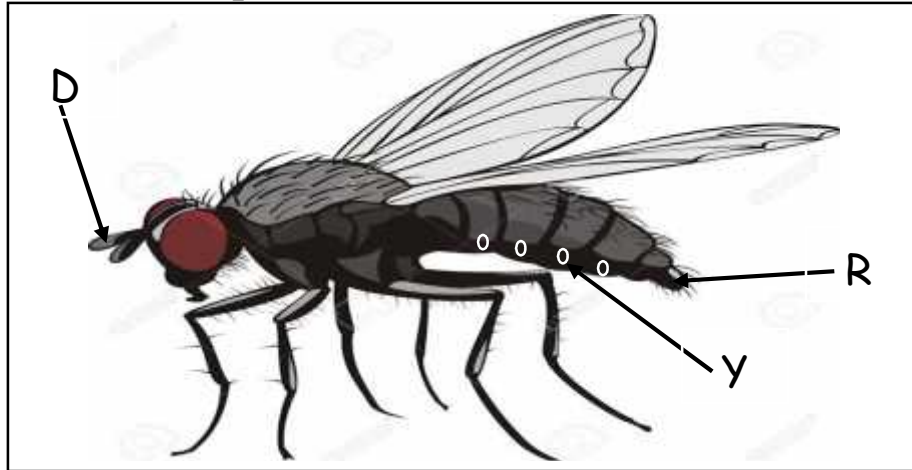

(i) clay _____

(ii) sisal _____

(iii) palm leaves _____

(iv) skin _____

47. The diagram below shows an insect. Use it to answer the questions that follow.

(a). Name the parts marked D and R

D _____

R _____

(b). Which part on the diagram above is used for laying eggs by the insect?

(c). Give any one characteristic of insects.

48(a). Write any two methods of preserving food.

(i) _____

(ii) _____

(b). Name any one thing that can happen to fresh fish when not properly preserved.

(c). Why do people preserve fresh food like fish?

49(a). Give any one example of a plant with a weak stem.

(b). State any two ways in which plants with weak stems can climb other plants.

(i) _____

(ii) _____
